

Welcome!

We have in place some simple measures to help minimise the risk of Covid-19 to Centre users:

- For the time being, class sizes will be smaller than usual, which may mean you will need to book ahead for some events.
- All rooms will be well ventilated and, thanks to a generous donation from Sagaraghosa, we also have two air purifiers with HEPA filters.
- Hand sanitiser will be available for you to use
- Although not mandated, we would encourage everyone to consider wearing a face covering when indoors, where this is possible.
- We ask that you not attend the Buddhist Centre if you are at all unwell

Thank you for your support
